

HQ²⁴ FUSION[®]

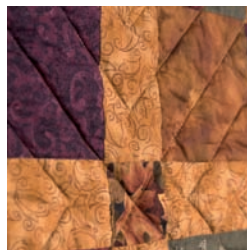

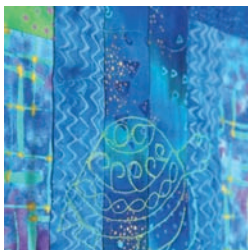

LONGARM QUILTING MACHINE

The HQ²⁴ Fusion combines HQ integrated technology and HQ engineering with all of the functionality quilters demand. Made and assembled in the USA, the HQ Fusion precision stitch-regulated system provides you with the highest quality product of any longarm quilting machine, backed by the HQ warranty and network of local representatives. *Designed by a Quilter, for Quilters[®]*, the HQ²⁴ Fusion is a high functioning longarm system that enables you to achieve your quilting vision in your home or professional studio.

WHERE FUNCTION MEETS VISION.[®]

Sometimes a quilter's vision needs room to expand. The HQ²⁴ Fusion offers precision stitching, personal lighting options, two modes of stitch regulation and a 24" throat so you can quilt even your biggest quilting ideas.
